There is a crèche room for small children.

The Chapel is fitted with an induction loop; Hearing aid users are advised to sit away from the edges of the room and please switch hearing aids to the "T" setting.

Thank you from Britzaida Gloria's mother, Britzaida de Lozado, recently had surgery at the Churchill Hospital, from which she is now making a good recovery. Britzaida is extremely grateful for all of the prayer support she has received, and has asked for her thanks to be passed on to everyone. Her progress is amazing, and she is sure that it is a direct result of the prayers of all her family and friends of many different denomination and religions.
